He is also honored to be working with this Council and also looks forward to working with those who have been appointed to various Committees and Commissions.

Councilman Bartelloni-also wished everyone a Happy New Year and congratulated Matthew, Robert and Jeffrey on their appointments to the Police Department. He congratulated Tom and Dario on their re-election and election and looks forward to working with them in the coming year. He said that in terms of the year going forward, we have a challenge before us this year because the people of River Edge will be looking to us in light of the changes to the recent tax code and how it will affect their property taxes. Councilman Bartelloni said that a lot of attention will be put on them as to how they will structure our budget this year. He feels that they definitely have their work cut out for them but is confident that they will be able to achieve what the people are looking for. With regard to the Community Center, his goal is to get a shovel in the ground this year but he realizes that they will have to work together to meet budgetary challenges in terms of prioritizing other capital requests from other departments. He hopes to get the Community Center project, that's been going on for almost ten years, finally moving forward and also looks forward to getting a cable channel to stream live our meetings over the internet in the coming year. He looks forward to a very productive 2018.

Councilwoman Busted-also wished everyone a Happy New Year and congratulated Dario and Tom and their election and re-election. She congratulated our three new officers and wished them a long health and safe tenure with the Borough and thanked them for their service. Councilwoman Busted also congratulated the new Council President, Vito Acquafredda and feels he is a great choice. She echoed Councilman Bartelloni comments in that they are going to be facing significant challenges but is confident that with the continuity they have on this Council, they will work together in the best interest of our residents. She thanked all of the volunteers for their appointments and re-appointments and looks forward to working with them as well as some of the best public employees that the State has in the Borough of River Edge. Again she wished a happy, healthy and prosperous new year for us all.

Councilman Acquafredda-thanked everyone for the trust that they've placed in him by electing him Council President. He congratulated Tom and Dario on their election victories to the Council and he also looks forward to weaving this bipartisan tapestry that will mean nothing but good for River Edge. He's still convinced that there are no reds or blues but a magenta color which is what you get when you mix them together. Council President Acquafredda said that they have a lot of work to do and are ready to tackle the budget and ready to bring the big project of a Community Center to the town.

Councilwoman Davis-congratulated Vito on his appointment as Council President as well as Dario and Tom on their election victories. As she said last year, she hopes that they can work together for the betterment of the town and for the people of River Edge. She congratulated all those who have been appointed and re-appointed to committees and agreed with Councilwoman Busted that we have the best people working for our town. He congratulated Tom on his re-election and thanked the Mayor and Council for appointing him last year and giving him the opportunity to show what he can do as well as giving him the platform which lead to his election which he is very thankful for. He also said that he is very thankful to be learning from everyone and will work very hard for the people of this town. He thanked the voters for electing him and thanked his family for their support.

Mayor Mignone-echoed everyone's congratulations to Dario and Tom and said that he and Tom are the senior members of the Council and have been together since 2012. He agrees that the Council has worked well together over the years and appreciates the challenge of the budget but feels that we've had many years that were much worse and have always met the challenges. The Mayor said that with the challenges they have other opportunities. He continued to say that they

are looking for a new Rec Director so the recreation programs will take us in a new direction especially if we do our Community Center. He said that they will have to take on a monumental task of replacing our Borough Administrator, Alan Negreann which will be another challenge this year. The Mayor had hoped to have the live stream up and running by the end of 2017 as well as new emails but looks forward to getting that accomplished during the first quarter of 2018. He congratulated the three new officers Piferski, Litterio and Staron. He announced that the installation of the incoming Fire Chief and his officers will be held on January 6th and the installation of the REVAS officers will be on January 12th. The Mayor thanked Tom Sarlo who will serve again as our Borough Attorney and said that he has been a wise and moderating voice on the Council and has always given them very good advice which is appreciated.
