DISCUSSION

Historic Element – Mr. Neiss discussed the meeting with the Historic Commission he and Ms. Bogart attended. Mr. Neiss discussed with the Board the issues associated with the 2002 attempted adoption of the Historic Preservation Element and why there was insufficient evidence to conclude that it had been adopted in accordance with the MLUL. He then discussed how the matter is moving forward now and that the Board will soon be asked to consider the Commission-proposed Element.

Complete Street Checklist – Mr. Neiss had located materials used by Chatham Township to investigate and adopt its ordinances, and had provided them to Board members via email.

24 Hour Ordinance Recommendation – Mr. Neiss highlighted the fact that the Board's planner was not clear on how the Board wanted the ordinance to be changed, if at all.

MOTION TO ADJOURN 8:40 p.m.
